

How to Make A Castor Oil Pack FOR FERTILITY

SHOPWITHMEMAMA.COM

Castor Oil can help with infertility and is used to treat gynecological disorders related to infertility (<i>like endometriosis, fibroids, polycystic ovary syndrome, and more!</i>).
It is called <u>Castor Oil Therapy For Infertility</u> and it consists of using a warm, castor oil wrap over your abdomen. This helps to stimulate blood flow to your uterus and ovaries.
Castor Oil Packs for <u>fertility</u> are fairly easy to make. You will need the following items:
*Piece of flannel or a small cotton towel
*bottle of castor oil
*piece of plastic wrap
*hot water bottle (<i>or heating pad</i>)
*cotton towel

HOW TO USE THE CASTOR OIL PACK FOR FERTILITY

*SOAK THE SMALL COTTON TOWEL OR SQUARE PIECE OF FLANNEL IN SOME CASTOR OIL. MAKE SURE TO COAT THE WHOLE PIECE.

*LAY THE PIECE OF CLOTH/FLANNEL ON YOUR ABDOMEN MAKING SURE IT COVERS YOUR UTERUS AREA COMPLET

*COVER THE FLANNEL OR PIECE OF CLOTH WITH THE PLASTIC WRAP

*PUT A TOWEL ON TOP OF THE CASTOR OIL-INFUSED CLOTH AND PLASTIC WRAP

*PUT THE <u>HOT WATER BOTTLE</u> OR HEATING PAD ON TOP OF EVERYTHING

*RELAX FOR 30-60 MINUTES
