

# VEGETABLE GARDEN CHECKLIST

IT IS ALWAYS GOOD TO START SMALL WHEN IT COMES TO CREATING A VEGETABLE GARDEN. BELOW ARE MORE HELPFUL TIPS:

- Find a Location with full sun
- Use nutrient rich soil
- Buy vegetable seeds from True Leaf Market
- Water your garden daily using a sprinkler or soaker hoses
- Use mulch around your plants
- Don't over-fertilize!
- Pull out any weeds around your vegetable plants
- Harvest!
